

Michael and Cameron are sitting on their tables, trying to dissect a frog during their biology lessons. Their teacher, Mr. Kraft, is walking around, checking the process.

MICHAEL

You're in school for one day and you ask out the most beautiful girl? Do you have no concept of the high school social code?

CAMERON

I teach her French, get to know her, dazzle her with charm and she falls in love with me.

MICHAEL

Unlikely, but even so, she still can't go out with you. So what's the point?

Cameron motions with his head toward Patrick, a few lab tables away. He's wearing biker glasses instead of goggles as he tries to revive his frog.

CAMERON

What about him?

MICHAEL

(confused)

You wanna go out with him?

CAMERON

No - he could wrangle with the sister.

MICHAEL

What makes you think he'll do it?

CAMERON

He seems like he thrives on danger.

MICHAEL

No kidding. He's a criminal. I heard he lit a state trooper on fire. He just got out of Alcatraz...

CAMERON

They always let felons sit in on  
Biology?

MICHAEL

I'm serious, man, he's whacked.  
He sold his own liver on the  
black market so he could buy new  
speakers.

CAMERON

Forget his reputation. Do you  
think we've got a plan or not?

MICHAEL

Did she actually say she'd go  
out with you?

CAMERON

That's what I just said.

MICHAEL

You know, if you do go out with  
Bianca, you'd be set. You'd  
outrank everyone. Strictly A-  
list. With me by your side.

CAMERON

I thought you hated those  
people.

MICHAEL

Hey - I've gotta have a few  
clients when I get to Wall  
Street.

CAMERON

I'll let you handle that.
