

The field is full of students doing drills. The women's soccer team is having practice. JOSI walks over to DAVID, who is sitting on a bench with SKINNY, smoking.

JOSI

Well, how's it going?

David doesn't give him a glance.

JOSI

(trying to break the
ice)

Hey, um..

DAVID

Do we know each other?

JOSI

See that girl over there?

He turns and sees Pat playing soccer on the field.

DAVID

Yes.

JOSI

This is Pat Milford. I'd like
you to go out with her.

DAVID

(sarcastically)
Yeah, sure, starlet.

He and Skinny laugh at the idea.

JOSI

Look. I can't go out with
her sister before Pat starts
dating.
You know, her dad is
freaked out. Totally freaked
out. He has this rule that the
Girls...

DAVID

That's a touching
story. It really is. But not
my problem.

JOSI

Would you be willing to make it
your problem if I gave you
a generous compensation?

DAVID
You want to pay me to go out
with a chick?

JOSI
Mmm hmm.

DAVID
How much?

JOSI
Twenty bucks.

David turns to take another look at Pat. She is currently giving another girl a violent body check and knocks her out.

JOSI (CONT'D)
Good. 30.

DAVID
Okay, let's think about this.
We're going to the movies.
That's, uh, 28. We
get some popcorn. That's, uh,
38. And, uh, she's gonna want
ice cream, right? So, uh,
we're up to 60 quid.

JOSI
This is not a negotiation. Take
it or leave it, freak.

DAVID
Fifty and we got a deal,
moron.

No chance. Josi gives him the money and smiles.
