

Miles is dusting shelves in the record store where he works. Nellie arrives unannounced

NELLIE
Hey, stranger.

MILES
Nelly. What you doing here?

NELLIE
You disappeared on us.
Thought about Monty's
offer yet?

MILES
Yeah, you can't come in here
talking about that, all right?
I'm... I'm working.

NELLIE
Yeah. You seem super busy.

MILES
Yeah, well, these babies don't
polish themselves, all right?

NELLIE
So, are you in or out?

MILES
I can't. It's too dangerous.

NELLIE
Oh, come on, Miles,
don't be a pussy.
You can do this.
Really not that hard.

MILES
Right. I really appreciate the pep talk,
but it ain't happening.

NELLIE
But it's just
a couple of pills
from Monty's friend
at some lab,

so he can figure out
what's in it and make his own.

All you gotta do
is bring them back.

It'll be easy.

Plus, it's a free trip
to Mexico.

What more do you want?

MILES

Right, so I'll be
like a little drug mule.

Perfect, I'll write you
a thank-you note from prison.

NELLIE

Okay. Fine.

You don't want 20 grand,
that's your business.

MILES

20 grand?

I thought you said it was 10.

NELLIE

Yeah, it was. It's 20 now.

MILES

For real?

NELLIE

- For real.

Oh, and you can bring your
Guitar Shop Barbie Girlfriend with you.
